Erratum

in the paper of S. M. MAZHAR, On the summability factors of infinite series, *Publ. Math. Debrecen*, **13** (1966), 229—236.

Page 229 second line from the bottom read: $\Delta^2 \dfrac{1}{\gamma_n} \geqq 0$ *instead of* $\left| \Delta^2 \dfrac{1}{\gamma_n} \right| \geqq 0$.

Page 230 first line from the top after "Theorem B" *add* "follows".
