

Correction to my paper
“The space of bounded maps into a Banach space”

By E. MAKAI Jr. (Budapest)

In [1], Remark replace $C^*(X, D) \subset C^* \subset C_w^*(X, D)$ by: “ $C^* = C_w^*(X, D)$ (or S compact and $C^*(X, D) \subset C^* \subset C_w^*(X, D)$)”. Also in the proof of the theorem, part 3, replace the first sentence by: “By condition 4 D contains a subspace D_0 , having a base $\{e_n\}_{n \in \mathbb{N}}$, $\|e_n\| = 1$ (cf. e.g. J. Lindenstrauss—L. Tzafriri: Classical Banach spaces I, Sequence spaces, Springer Verlag 1977, 1.a.5; note also 1.a.2).”

This change does not affect the validity of the theorem.
